***Everything You Need From Start to Finish!***

Since 1999 Bakery Equipment.com, Inc. has been building a growing reputation in the baking industry of integrity, quality and dependability. In 2007 Bakery Equipment.com was honored to be included in Inc. Magazine's Inc5000 list of America's fastest growing companies.

Bakery Equipment.com is your single on-line source for Bakery Equipment and Supplies. Shop on-line in the convenience of your home or office with no pushy sales staff to bother you. Have a question? ~ Not a problem! Our friendly sales staff is made up of actual bakers and bakery equipment engineers ready to help you by phone or e-mail.

Our staff is able to assist you in complete bakery design or simply upgrading the equipment you may already have. With our 25,000 sf warehouse and many partnering warehouses across the country, Bakery Equipment.com offers the largest selection of pre-owned quality equipment from one source - we offer all the greatest brands of new equipment you may be looking for as well.

From Purchase, to Delivery, to Installation, We handle as much or as little as you want us to!
