

ProDumper

The most powerful and compact lifting and dumping solution

The ProDumper is a unique heavy-duty dumper designed especially for facilities that need to lift and dump containers with up to 2000 lbs. of product. And while this dumper is rugged and powerful, it's also compact so that it can fit into tight spaces.

The ProDumper is versatile and may be used with a variety of carriages and containers to match your specific application.

Whether your product is in the area of baked goods, chemicals, pharmaceuticals, pet foods, convenience foods, or many other products, nothing works as hard to lift and dump as the ProDumper.

Ask us about custom designing for special applications.
